

## **ATTACHMENT "B"**

### **FLEET PRINTOUT AND WORK CODES**

Attached is a sample FLEET Work Order as entered into the Department of Management Services (DMS) computerized work tracking system FLEET. The Vendor is required to provide data to FDOT as needed by DMS. This data is outlined in various reports included in the Florida Department of Transportation Mobile Equipment Procedure 400-000-001.

The FDOT Mobile Equipment Procedure 400-000-001 (January 15, 2009), is available through FDOT Maps and Publications, or on the Internet at:

## FLEET WORK CODES

010 Services	106 Wiper motor, Blades	212 Brake
011 Safety inspections	107 Control switches	lining/shoes/pads
012 Cleaning/Washing	108 Fuel pump electric	213 Brake disc
013 Travel for parts	in fuel tank	214 Brake hydraulic
014 Travel for service	109 Fuel pump rail mount	system
015 Warranty service	110 Fuel systems	215 Brake overhaul
016 Recall services	111 Fuel pump engine	216 Brake adjustment
020 PM Services	mount	217 Inspect brakes
021 PM Inspection - A	112 Carburetors	218 Brake boosters
022 PM Inspection - B	113 Injectors	219 Brake valves
023 PM Inspection - C	114 Fuel filters	220 Tires
024 Engine oil & filters	115 Fuel regulators	221 Mount new tire
025 Other filters	116 Fuel system test	222 Repair tire
026 Chassis lube	117 Fuel tank	223 Wheel/Rim
027 Gear lube	120 Cooling system	224 True & balance
028 Hydraulic fluid	121 Water pump	225 Warranty tire
040 Emission control	122 Radiator/Fan	230 Steering
system	123 Hoses	231 Power steering
041 Air pump, lines,	124 Cooling additives	232 Alignment
hoses, vacuum pump	125 Belts	250 Body
042 Vacuum control	126 Thermostat	251 Painting
devices	127 Antifreeze	252 Wreck damage repair
043 Gaskets, seals	128 Heater core	254 Glass
044 Emission control	130 Exhaust system	255 Frame
system other	131 Muffler	256 Body installation
050 Engine block	132 Exhaust pipes	257 Body cvrs, cvr frm,
assembly	133 Manifold	brkts
051 Install complete	134 Converter exhaust	258 Windshield replace
engine	system	259 Windshield repair
052 Install short block	140 Clutch assembly	260 Doors, glass,
053 Overhaul engine	141 Pressure plate	controls
054 Engine mounts	142 Clutch disc	270 Accessories
055 Engine control	143 Clutch bearings	271 Heater/Defroster
module	144 Clutch overhaul	272 Safety equipment
056 Computerized engine	145 Clutch adjustment	273 Fifth wheel
controls	150 Transmission	280 Air conditioning
057 Starter, Alternator	gear/box	281 A/C compressor
core, charge	151 Gear box	282 A/c hoses
058 Engine components	152 Torque converter	283 A/c recharge
brackets, etc.	153 Transfer case	284 A/c condenser
059 Engine diagnostic	154 Transmission rebuild	290 Hydraulic system
test, trouble shooting	155 Trans adjustment	291 Hydraulic pump
070 Valve/Head assembly	156 Transmission	292 Hydraulic motor
071 Head repairs	additives	293 Hydraulic hoses
072 Valve job	157 Transmission	294 Hydraulic cylinders
073 Valve adjustment	filter/fluid service	295 Hydraulic reservoir
074 Engine components	169 Saddle bearing	296 Hydraulic valves
core charge	170 Drive shaft/univ	297 Joy stick control
080 Ignition system	171 Drive shaft	298 Hydraulic seals,
081 Starter repairs	172 Universal joint	kits
082 Gen/Alt repairs	173 Pto shaft	310 Air system
083 Battery	174 Front wheel drive	311 Air compressor
084 Ignition tune-up	axles	312 Air motors
085 Coil	180 Differential/Axles	313 Air hoses
086 Ignition wires	181 Differential dr	314 Air valves
087 Rewire electric,	gears	315 Air cylinders
lighting, tail, etc.	182 Axle shafts/Wheel	330 Mechanical systems
088 Bar lights, strobe	bearings	331 Rotary table
lights	183 Inter-axle	332 Sliding table
100 Electrical system	differential	350 Boom/Mast
101 Lighting/Signals	184 Axle shift mechanism	351 Mast structure
102 Radio-AM/FM, d.o.t.	200 Suspension	352 Boom mast hoist
radio	201 Shock absorbers	353 Mast sheaves
103 Instruments	202 Springs/helpers	354 Cable
104 Speedometer/Hour	210 Brakes	355 Mast rollers
meter	211 Brake drums, rotors	356 Telescoping system
105 W/S wipers		360 Bucket & mechanism

361 Bucket  
362 Tilt system  
363 Wrist action system  
364 Bucket sheaves  
365 Bucket lift arms  
380 Blade mechanism  
381 Blade  
382 Mold board  
383 Circle mechanism  
384 Lift mechanism  
390 Crawler system  
391 Crawler track  
392 Crawler shoes  
393 Crawler rollers  
394 Pins & bushings  
395 Drive sprockets  
396 Crawler idler  
397 Welding & cutting  
400 Miscellaneous  
401 Blades & spindles  
402 Pulleys & sprockets  
403 Guards & chains  
404 Pump  
405 Generator  
406 Compressor  
407 Lawn mowers, riding  
& push  
408 Chain saws  
409 Weed eater, trimmers  
410 Arrow board, message  
board
