Questions and Answers
ITB DOH16-056
Heating and Air Conditioning (HVAC) Maintenance

- Q1) I had a question on Filters for all locations and is there a filter list available.
A1) Yes, please see the below spreadsheet
- Q2) Quantity and type of VAV boxes in Tarpon Springs, Standard, and Fan Powered, reheat coils?
A2) Pneumatic VAV boxes in Tarpon Springs, quantity unknown, style is unknown.
- Q3) Page 15 Item # 4 air handlers' pre-filters every two months and main filter every month?
A3) Please see Addendum #1
- Q4) Is the previous contract available?
A4) Yes, please see Order (ACB766) information below
- Q5) Who is the water treatment company you use or prefer for the chillers?
A5) We do not have a treatment company. That is left to the contractor in this agreement.
- Q6) Confirm performing the preventative maintenance on all the equipment on the RFP?
A6) Yes everything is on the list.
- Q7) Is the 2 chilled water loops and the Hot water loops part of the maintenance on the RFP?
A7) Yes, refer to Attachment A (Specifications) 1st paragraph. I would consider that all the water loops are parts that would affect satisfactory operation of the units
- Q8) Are air handlers' pre-filters every two months and main filter every month as in the RFP?
A8) Please refer to Q3
- Q9) What is your definition of monthly cleaning of evaporator coils and blower wheels is wiping and vacuuming them sufficient or do you expect something more detailed?
A9) Yes, wiping and vacuuming is sufficient.
- Q10) What is your definition of cleaning of the condenser coils of the chillers do you expect chemical to be applied and the power wash to be used monthly?
**A10) No, don't expect chemical to be applied
Monthly - please refer to Attachment A (Specifications)**
- Q11) How many VAV boxes are there at each location?
A11) This information is unknown
- Q12) Regarding service calls with there being unlimited, is the service call a billable service.
A12) No the contract is for comprehensive service, limited only by the exceptions in Section A of the ITB. Repairs are included and you do not bill.
-

Q13) Will we be allowed to go through each one of these units and provide a due diligence survey to make sure we're not assuming liability for the services not performed adequately by the previous contractor?

A13) No. The new contractor will be responsible to service and maintain the system as it is.

Q14) Will the award of this be based on Best Value?

A14) The award will be made to the responsive and responsible vendor offering the lowest grand total.

Q15) This is a full maintenance contract, no repairs will be paid outside of the contract?

A15) Correct.

Q16) With respect to the control system are they included in the maintenance section?

A16) No they are not.
