1.2 Background Information

The Department is responsible for the centralized disposal processing of motor vehicles and equipment declared surplus by Florida's state agencies. Once a vehicle and/or equipment has been declared surplus by an owning agency, the required documentation (e.g., disposal request form, vehicle title, etc.) is sent to the Department. After reviewing and recording the documentation, the Department decides whether the vehicle will be sold at the next available live auction, or if it will be sold via online auction.

The majority of all surplus vehicles and equipment are sold at live auctions and almost all require transportation services to relocate them from their various locations around the state to the site of the Department's live auction vendor. The Department's current live auction vendor, Tampa Machinery Auction (TMA) is located in Thonotosassa, FL. TMA has been the Department's sole live auction vendor since March 2005 and the current contract with TMA expires in March 2021.

TMA conducts its live auctions on the 2nd Saturday of each month; therefore, vehicles and equipment must be delivered to TMA no later than the Wednesday prior to the scheduled monthly auction.

Historically, approximately fifty percent of the vehicles/equipment requiring transportation services have been operational, and approximately fifty percent of the vehicles have been non-operational due to issues such as dead battery, flat tire(s), blown engine, frozen transmission, collision damage, etc. Bidders should consider this when preparing their ATTACHMENT C, Price Sheet(s) 1-6.

The remaining surplus vehicles and equipment are sold via online auction. These vehicles are located primarily in west Florida and the Florida Keys. Most of the west Florida vehicles are relocated to a state employee parking lot located on the southeast side of Tallahassee where they remain until sold via online auction. These vehicles are either self-transported to the employee parking lot by employees from the selling agency, or require transportation services to deliver them to the employee parking lot. Those west Florida vehicles being sold via online auction that are not relocated to the Tallahassee employee parking lot, and most of the vehicles from the Florida Keys, are sold in-place and do not require transportation services.

The Department has been conducting surplus vehicle sales via online auction since July 2011. The Department's current online auction vendor is GovDeals, Inc. (www.GovDeals.com). The Department sets the online auction closing dates, typically once per month, and vehicles are continuously listed for sale online as soon as all required preparation activities (e.g., relocation, photos, vehicle information, etc.) are completed.

1.3 Term

The initial term of the contract will be three (3) years. The renewal term of the contract will be for three (3) years, which may be renewed in whole or in part. The contract may only be renewed in accordance with Section 287.057(13), Florida Statutes. Any renewal is contingent upon satisfactory performance of the Vendor and subject to the availability of funds.

1.4 Definitions

The following definitions apply to this solicitation, in addition to the definitions in the PUR 1000 and PUR 1001. Additional definitions may be found in the Statement of Work and in the draft Contract, which are incorporated as ATTACHMENT A, Statement of Work and ATTACHMENT B, Draft Contract.

SECTION 4. SELECTION METHODOLOGY

4.1 Basis of Award

The Department intends to award this ITB to the responsive and responsible Bidder(s) who offer(s) the lowest Total Calculated Price for each region bid. Seventy percent of the Total Calculated Price will be based on the Bidder's Initial Term prices and thirty percent of the Total Calculated Price will be based on the Bidder's Renewal Term prices. The Bidder's Total Calculated Price will be determined using the following formula: Sum of Column J (Initial Term Extended Costs) multiplied by 0.7, plus the sum of Column K (Renewal Term Extended Costs) multiplied by 0.3. One Bidder shall be awarded per region(s) for a total of up to six awards.

Regions	FROM (Vehicle Origin):	DELIVER TO:

2	West Region	Live Auction Location
3	Middleburg Location	Live Auction Location
4	North Region	Live Auction Location
5	Central Region	Live Auction Location
6	South Region	Live Auction Location

The Department may award multiple regions to a Bidder. The Department reserves the right to award as determined to be in the best interest of the State and to accept or reject any and all Bids or separable portions and to waive any minor irregularity if the Department determines that doing so will serve the best interest of the state. An irregularity is not material and therefore, minor, when it does not give the Bidder a substantial advantage over other Bidders and thereby restrict or stifle competition.

4.2 Bid Disqualification

Bids that do not meet all requirements, specifications, terms and conditions of the solicitation or failure to provide all required information, documents or materials may be rejected as non-responsive. Bids that contain provisions that are contrary to the requirements of the solicitation are not permitted. Bids with alternate provisions and conditions that are not consistent with the primary goals of the solicitation may be deemed non-responsive. Bidders whose Bids, past performance or current status do not reflect the capability, integrity or reliability to fully and in good faith perform the requirements of this solicitation may be rejected as non-responsive. The Department reserves the right to determine which Bids meet the requirements of this solicitation and which Bidders are responsive and responsible.

SECTION 5. AWARD

5.1 Rights for Award

The Department reserves the right to:

- Divide the work among vendors by type of service, geographic area and/or both; and
- Award contracts for less than the entire service area, less than all services encompassed by this solicitation, or both.

5.2 Agency Decision

The Department will post a Notice of Intent to Award to enter into one or more contracts with the Bidder(s) identified therein, on the VBS website: http://vbs.dms.state.fl.us/vbs/main_menu.

5.3 Protests

Failure to file a protest within the time prescribed in Section 120.57(3), Florida Statutes, or failure to post the bond or other security required by law within the time allowed for filing a bond shall constitute a waiver of proceedings under Chapter 120, Florida Statutes.
